

LACHNOMYRMEX

- amazonicus.** *Lachnomyrmex amazonicus* Feitosa & Brandão, 2008: 11, figs. 2, 20 (w.q.) BRAZIL (Pará, Amazonas, Mato Grosso).
- fernandezi.** *Lachnomyrmex fernandezi* Feitosa & Brandão, 2008: 13, figs. 3, 18 (w.) COLOMBIA.
Status as species: Fernández & Serna, 2019: 856.
- grandis.** *Lachnomyrmex grandis* Fernández & Baena, 1997: 111, fig. 2 (w.) COLOMBIA.
Feitosa & Brandão, 2008: 17 (q.).
Status as species: Feitosa & Brandão, 2008: 17 (redescription); Fernández & Serna, 2019: 856.
- haskinsi.** *Lachnomyrmex haskinsi* Smith, M.R. 1944e: 227, figs. 1, 2, 2a (w.) PANAMA (Barro Colorado I.).
Feitosa & Brandão, 2008: 19 (q.).
Status as species: Weber, 1950c: 3 (in key); Kempf, 1972a: 128; Bolton, 1995b: 220; Fernández & Baena, 1997: 112 (in key); Feitosa & Brandão, 2008: 19 (redescription).
- laticeps.** *Lachnomyrmex laticeps* Feitosa & Brandão, 2008: 19, figs. 6, 18 (w.) COSTA RICA.
- lattkei.** *Lachnomyrmex lattkei* Feitosa & Brandão, 2008: 21, figs. 7, 18 (w.) VENEZUELA.
- longinodus.** *Lachnomyrmex longinodus* Fernández & Baena, 1997: 110, fig. 1 (w.) COLOMBIA.
Status as species: Feitosa & Brandão, 2008: 23 (redescription); Fernández & Serna, 2019: 856.
- longinoi.** *Lachnomyrmex longinoi* Feitosa & Brandão, 2008: 25, figs. 9, 18 (w.q.) COSTA RICA, PANAMA.
- mackayi.** *Lachnomyrmex mackayi* Feitosa & Brandão, 2008: 27, figs. 10, 19 (w.) PANAMA.
- nordestinus.** *Lachnomyrmex nordestinus* Feitosa & Brandão, 2008: 29, figs. 11, 18 (w.q.) BRAZIL (Paraíba, Ceará, Pernambuco, Sergipe).
- pilosus.** *Lachnomyrmex pilosus* Weber, 1950c: 1 (w.) TRINIDAD.
Feitosa & Brandão, 2008: 31 (q.).
Status as species: Kempf, 1972a: 128; Bolton, 1995b: 220; Fernández & Baena, 1997: 112 (in key); Feitosa & Brandão, 2008: 31 (redescription); Bezděčková, *et al.* 2015: 117; Fernández & Serna, 2019: 856.
- platynodus.** *Lachnomyrmex platynodus* Feitosa & Brandão, 2008: 34, figs. 13, 18 (w.) GUYANA.
- plaumanni.** *Lachnomyrmex plaumanni* Borgmeier, 1957: 125, figs. 47-52 (w.q.) BRAZIL (Santa Catarina, Rio de Janeiro/Minas Gerais (Itatiaia National Park)).
Status as species: Kempf, 1972a: 128; Bolton, 1995b: 220; Fernández & Baena, 1997: 112 (in key); Feitosa & Brandão, 2008: 34 (redescription).
- regularis.** *Lachnomyrmex regularis* Feitosa & Brandão, 2008: 38, figs. 15, 19 (w.) COSTA RICA.
- scrobiculatus.** *Lachnomyrmex scrobiculatus* Wheeler, W.M. 1910a: 263, fig. 3 (w.q.) GUATEMALA.
Wheeler, G.C & Wheeler, J. 1989a: 321 (l.).
Status as species: Emery, 1924d: 269; Smith, M.R. 1944e: 226 (in key); Weber, 1950c: 3 (in key); Brown, 1950e: 249; Kempf, 1972a: 128; Bolton, 1995b: 220; Fernández & Baena, 1997: 112 (in key); Feitosa & Brandão, 2008: 40 (redescription); Branstetter & Sáenz, 2012: 258; Fernández & Serna, 2019: 856.

victori. *Lachnomyrmex victori* Feitosa & Brandão, 2008: 43, figs. 17, 20 (w.q.) BRAZIL (Santa Catarina, Espírito Santo, Paraná, São Paulo).
